## Anti-age while relaxing with DermaLIFT II

As a raving fan of the original Annique DermaLIFT, I was eager to experiment with the DermaLIFT II, especially when I discovered that the galvanic head of the DermaLIFT II is larger, covering more skin in one movement, and is more practical to use on the body. The head is excellent for maximum absorption of products by the skin, and is large enough to use on flabby arms, buttocks and the thigh area. My favourite is the red photo-facial light, which is anti-ageing. It is warm on the skin and gives me a sense of healing on my face as it encourages cell growth. I spend 20 minutes using the DermaLIFT II daily while reading a book, watching news or listening to a podcast. One night I use Skin Detox and Rooibos Miracle Tissue Oil or Intense Repair Serum for the entire duration of the treatment, and the next night I use Bo-Serum and Miracle Tissue Oil or Intense Repair Serum. I am able to relax while anti-ageing. Choose an area, work on it daily and see the difference for yourself.

With

August being Women's Month, it's the perfect time to sit back and reflect on what you can do to improve your health in a way that is both easy and enjoyable. As a woman, you play many roles and might lead a demanding life that leaves you feeling listless, tired and maybe even anxious. This is where that hot cup of Rooibos can help. It is energising in a calming way, enhances mental focus and fights fatigue. Most notable is that it is extremely high in antioxidants and is a rich source of flavonoids and powerful compounds that fight ageing and enhances skin tone.

### Deadlines for orders!

Dear Annique client,

To order special offers from the Beauté, please confirm with your Annique Consultant regarding his or her order dates with Annique Home Office, to ensure that you will receive the special offer, as advertised. Every Annique Consultant has a specific ordering cycle with Annique Home Office.

If you order your specials after month-end ordering deadline of your Consultant, which may be as early as the 27th of each month, you may not qualify for the special offers in this Beauté.

"About 30 years ago, I lost my job. Annique provided the perfect solution to generate an income. The money I earned from my own Annique business helped keep bread on our table. Later, I could even help pay my children's university fees and their weddings. Annique has also allowed me to qualify for amazing trips to exotic and wonderful countries. Last year, I was fortunate enough to travel to Greece and this year, I also qualified for the amazing Captain's Extravaganza cruise along the coastline of Spain, Italy and France. With Annique, anything is possible!"
